

Pattern Drafting:

Make whatever block you want in any size. You'll never have to wonder if the pattern is accurate again because you'll know how to draft it and check it for accuracy yourself. No sewing.

All levels. Half or full day depending on how many blocks you wish to learn to draft.

Machine Quilting :

Learn the basics of machine quilting techniques such as types of thread, battings, and marking pencils, special tools and attachments to make machine quilting easier.

Practice techniques such as free motion, continuous designs, stippling, and many kinds of background quilting.

All levels. One day.

Advanced Machine Quilting:

Build on your machine quilting skills by learning to do a beautiful feather pattern in trapunto or padded quilting.

Experiment with various techniques for using many different kinds of decorative threads.

One day.

Christmas Star or Summer Star:

Stitch this exquisite county quilt with easy sewing and cutting techniques.

All levels. One day. Pattern required.

Other information:

Workshops have been planned for a full day or 6 hours.

When flexible hours are indicated the longer workshop will include more techniques and more help with your hands-on stitching.

Whenever possible, the workshops will be customized to fit the needs and interests of your group. Some workshops can be expanded to accommodate a retreat situation and some can be reduced to a demonstration or half day format when required.

**Piecing and Machine
Quilting Workshops**

[Paper Pieced Mariner's Compass:](#)

Learn how to sew this beautiful design accurately and easily on the machine, create needle sharp points using freezer paper piecing techniques.

Creative use of fabric will be demonstrated and encouraged. Many pattern variations are possible. Pattern required.

Some previous piecing experience needed. One or two days or more.

[Double Wedding Ring:](#)

Simplify this beautiful old favorite pattern by using quick cutting methods and paper piecing techniques.

Quilting suggestions and how to finish the curved edges with bias binding will be demonstrated. One or two days.

Some previous piecing experience needed.

[Patchwork from Days gone by:](#)

Master and enjoy the relaxing, portable and accurate hand piecing method of quilt block construction.

We will learn tips and techniques to perfect our skills while making a quilt block from my antique pattern collection.

All levels. One day.

[Star of Hope:](#)

Use "Quilt for a Cure" or other fabrics of your choice to make this easy but classic quilt using rotary cutting and quick piecing techniques.

Easy. All levels. One day.

[St. Nicholas Advent Calendar:](#)

Make this delightful advent calendar so that someone dear to you can enjoy the traditional excitement of counting off the days until Christmas.

Learn appliqué and piecing techniques, and how to create the special checkerboard pockets which hold the Christmas ornaments or treats. Pattern required. All levels. One day.

[Mystery Quilt Adventure:](#)

Laugh, sew and enjoy unfolding the mystery as we make this easy scrap quilt using rotary cutting techniques and quick sewing methods.

Choose one of the following: No Flowers, Please, Flannel Fun, Simply Amish, or 1930's Reproduction Quilt. All levels. Easy. One day.

[Feathered Star:](#)

Make an elegant feathered star block by using rotary cutting and accurate piecing

techniques. Showcase a wonderful focal print for your star. Pattern required.

Some previous piecing experience needed. One or two days.

[Joseph's Coat:](#)

This wonderful colorful quilt can be easily made with a machine appliqué technique. Batiks or hand dyed fabrics can be showcased on a black background in this beautiful pattern. All levels. One day. *Sacred Threads* book required.

[Eight Pointed Star Designs:](#)

We will take the mystery out of sewing these lovely quilt patterns. Learn set-in seam construction and dot to dot sewing to construct these blocks accurately and easily.

Some previous piecing experience required. One or several days depending on how many stars you want to learn.

[Road to Paradise:](#)

This wonderful pattern creates the illusion of curves but is constructed by sewing just straight seams. Showcase some beautiful floral fabrics to make your quilt resemble a garden in paradise.

All levels. Easy. One day.
